Dear Sir/Madam

Re Reduction of Rating Maximum Capital Value – Moyle District Council

Moyle District Council would like to highlight that as a result of reducing the maximum capital value from £500,000 to £400,000 in April 2009, the reduction in Moyle is equivalent to £12,088. Council propose that this shortfall should be financed by Central Government and not Local Government, and transitional relief should be available in the interim.

I trust the comments of Council will receive favourable consideration and look forward to hearing from you.

Yours faithfully

Moira Quinn
Head of Corporate Services
